

Department of Physiology  
School of Medical Sciences & Research  
Sharda University  
Greater Noida

**Schedule of Revision classes for MBBS Students, session 2018 -19 (Month of August -19)**

| Day & Date              | Time          |                       | Topic                                    | Faculty            | Venue          |
|-------------------------|---------------|-----------------------|--|--------------------|----------------|
| Saturday<br>(03.08.18)  | 11.30 - 01.30 | Practical             | TRBC, TLC                                | Dr. Swati          | Hematology Lab |
| Monday<br>(05.08.18)    | 09.30 - 11.30 | Assignment            | RBC, Hb & Anemia                         | Dr. Smriti         | Dept.          |
|                         | 11.30 - 01.30 | SDL                   | Membrane potential                       |                    | Dept.          |
| Wednesday<br>(07.08.18) | 09.30 - 11.30 | Assignment            | WBC, Immunity                            | Dr. Swati          | Dept.          |
|                         | 11.30 - 01.30 | SDL                   | Transport mechanism across cell membrane |                    | Dept.          |
|                         | 02.30 - 04.30 | Tutorial & Discussion | Nerve, Neuromuscular junction            | Dr. Shishir        | Dept.          |
| Saturday<br>(10.08.18)  | 11.30 - 01.30 | Practical             | Hb, Blood group, BT&CT                   | Dr. Vijaya Lakshmi | Hematology Lab |
| Monday<br>(12.08.18)    |               | Holiday (Id-ul-Zuha)  |  |                    |                |
| Wednesday<br>(14.08.18) | 09.30 - 11.30 | Lecture               | Platelet & coagulation                   | Dr. Swati          | Dept.          |
|                         | 11.30 - 01.30 | Practical             | DLC                                      | Dr. Smriti         | Hematology Lab |
|                         | 02.30 - 04.30 | Assignment            | Blood group & Blood transfusion          | Dr. Vijaya Lakshmi | Dept.          |
| Saturday<br>(17.08.18)  | 11.30 - 01.30 | Tutorial & Discussion | Skeletal muscle                          | Dr. Bijli Nanda    | Dept.          |

|                         |               |                       |  |                    |              |
|-------------------------|---------------|-----------------------|--|--------------------|--------------|
| Monday<br>(19.08.18)    | 09.30 - 11.30 | Tutorial & Discussion | Smooth muscle & cardiac                                  | Dr. Swati          | Dept.        |
|                         | 11.30 - 01.30 | Practical             | Mosso's ergography & Handgrip                            | Dr. Smriti         | Clinical Lab |
| Wednesday<br>(21.08.18) | 09.30 - 11.30 | Lecture               | Stomach - motility & secretion                           | Dr. Vijaya Lakshmi | Dept.        |
|                         | 11.30 - 01.30 | Practical             | General physiology examination & respiration examination | Dr. Geeta          | Clinical Lab |
|                         | 02.30 - 04.30 | Lecture               | Respiration - Mechanics                                  | Dr. Bijli Nanda    | Dept.        |
| Saturday<br>(24.08.18)  |               | Holiday (Janmashtami) |  |                    |              |
| Monday<br>(26.08.18)    | 09.30 - 11.30 | Lecture               | O <sub>2</sub> & CO <sub>2</sub> transport               | Dr. Bijli Nanda    | Dept.        |
|                         | 11.30 - 01.30 | Practical             | Vitalography & Stethography                              | Dr. Smriti         | Clinical Lab |
| Wednesday<br>(28.08.18) | 09.30 - 11.30 | Tutorial & Discussion | ECG & Cardiac cycle                                      | Dr. Vijaya Lakshmi | Dept.        |
|                         | 11.30 - 01.30 | Lecture               | Regulation of respiration                                | Dr. Bijli Nanda    | Dept.        |
|                         | 02.30 - 04.30 | Practical             | Sensory system examination                               | Dr. Geeta          | Clinical Lab |
| Saturday<br>(31.08.18)  | 11.30 - 01.30 | Practical             | Cranial nerve examination                                | Dr. Smriti         | Clinical Lab |

Dr. Bijli Nanda  
(Prof.&Head)
