Dean's Message

I warmly welcome you to another new issue of School of Medical Sciences & Research's newsletter.

The school organised various successful events such as UP-UK APPICON 2019, World Health Day, World Bipolar Day, World Tuberculosis Day, International Women's Day, etc. The students and faculty members of the school participated in the events actively and made the programs highly successful.

The Sharda Hospital, as always, in an endeavour to excel and ensure the availability of health facilities to the community, organised various health campaigns and camps for the general public which were attended by huge number of patients. Many basic screening procedures and the consultation by experienced and senior doctors were made available to the patients free of cost.

Students of the school organised nukkad natak and educational programs for the general public in nearby places under the guidance of their teachers. Students brought glory to our school by being among the toppers in national level examinations.

Congratulations and best wishes to all involved and let us keep on conquering newer heights!

Editor's Note

The Newsletter is an effort to highlight the wide range of academic, scientific, community-centric, patient care and student activities, going on round the clock in SMSR and Sharda hospital.

It reflects the dynamism of our faculty and students in taking our budding school and hospital to a higher pedestal, to rival the best.

We solicit support from our respected HODs, Senior Faculty and all colleagues, to provide guidance, valuable opinion, feedback, suggestions for improvement.

With your support, we hope to make the newsletter a chronicle, recording the evolution of SMSR and Sharda hospital.

For the forthcoming issues of Newsletter, we request all to provide the following information as and when applicable:

1. Awards received & Achievements of the department / faculty member(s).
2. Conference attended / paper presentations by the faculty members of the department.
3. Events / CMEs / Symposia conducted by the department.
4. Collaborative Research undertaken
5. Publications
6. Visiting Faculty
7. Community Healthcare Initiatives
8. Student directed activities
9. Write-ups on clinical meetings
9. New Faculty profiles

NEWS & EVENTS

9th Annual UP-UK APPICON 2019

The 9th Annual UP-UK conference of the Association of Physiologists and Pharmacologists of India was organized jointly by the Departments of Physiology and Pharmacology on 5th and 6th of April 2019. The event brought together some 40 medical colleges from all over the country. The inaugural ceremony began with lamp lighting and highlight of the event was speech by Dr. Ved Prakash Mishra.

Twenty five speakers were invited to gave deliberations and share their experiences on chronomedicine, regenerative medicine, pain modulation and metabolic syndrome.

The conference had five hands-on workshops on: Assessment of vascular functions, Uses of Platelet rich plasma (PRP), Evidence based Medicine, Nerve Conduction Velocity and Exercise Physiology tests in Lab & Field. First day ended with an Evening Banquet at VSK Gardens.

Second day of the conference had scientific posters presented by the undergraduate and postgraduate students; followed by the oral presentations of the faculty and postgraduate students. It concluded with the prize distribution to the winners and a general body meeting. This conference provided a golden opportunity for the attendees to share their knowledge and excellent platform for networking.

World Health Day 2019

School of Medical Sciences & Research (SMS&R) and Sharda Hospital celebrated the 'World Health Day 2019' on 8th April 2019.

Every year 7th April is observed as World Health Day, worldwide. The theme of World Health day, 2019 is 'Universal Health coverage: Everyone, Everywhere'. Indian Association of Preventive & Social Medicine (IAPSM) decided to organize a Nation-wide Quiz competition for MBBS students in medical colleges on 8th April 2019.

Department of Community Medicine, SMSR also participated in this nation-wide activity and nominated Dr. Harsh Mahajan, Associate professor, as the nodal person for these activities. These activities were organized in collaboration with the NSS (National Service Scheme) Cell, Sharda University as under:

1. Activities in College

Quiz competition involving MBBS students of SMS&R except for interns. It was conducted in two rounds.

Main quiz competition on 8th April 2019 10.00 am onwards

2. Activities at the Centres on 9th-10th April 2019(10.00 a.m. – 12.30 p.m.)

Health awareness sessions by interns and health workers in the community

Objective: To increase awareness regarding universal health coverage and a healthy lifestyle among the community and to conduct quiz competition among MBBS students.

Conveners: Dr. S. Nagesh, Dr. Shalini Srivastava

Co-ordinators: Dr. Harsh Mahajan, Dr. Khushboo Juneja, Dr. Neeti Purwar
NSS Cell Co-ordinator: Dr. Krishna Kumar Pandey (NSS coordinator, Sharda University), Dr. Neha Tyagi (NSS Incharge, SMSR)

World Bipolar Day

Department of Psychiatry, School of Medical Sciences & Research and Sharda Hospital celebrated World Bipolar Day on 30th March, 2019 by organizing the following events.

Free camp for bipolar patients & public awareness was held from 9:00 AM to 12:30 PM at 2nd floor, A Block, Department of Psychiatry, Sharda Hospital.

Guest Lecture by Dr. Pankaj Verma, Professor, Department of Psychiatry, VMMC & Safdarjung Hospital was held 12:30 PM onwards in the 6th floor lecture hall, Sharda Hospital. Objective of the event was to increase awareness about bipolar disorder. Dr. Kunal Kumar was the convener for the event.

Free Medical Campaign

Celebrating the World Health Day, Sharda Hospital took the initiative to organise free medical campaign this year for improving the healthcare in the region. There has been tremendous response to the program from local population and a large number of people have already benefitted from the free of cost screening and consultation services.

World Tuberculosis Day

Department of Respiratory Medicine celebrated the World Tuberculosis Day on 26th March 2019 by organizing the following events.

Free Health Camp was held from 09.00 AM to 12:00 Noon at the Out Patient Department of Respiratory Medicine, Block – C, Ground Floor, Sharda Hospital.

Poster Presentation was organised on the theme “UNITE TO END T.B.” on the 5th Floor near Auditorium, SMS&R Building from 12 PM to 1 PM

A Guest Lecture on “Recent Concepts in TB: Diagnosis and Management” was delivered by Dr. Shirish Jain, Senior DTO, Gautam Buddh Nagar, in the 5th Floor Auditorium, SMS&R Building 02:30 PM onwards.

Dr. S.N Gaur was the convener for the events which focussed on the awareness about TB and the recent updates.

International Women's Day

Department of Obstetrics and Gynaecology, SMS&R in collaboration with Greater Noida Obstetric and Gynecological Society, celebrated International Women's Day on 8th March 2019.

This special one-day dedication for celebration marked the beginning of year-long activities and the commitment for women empowerment.

Department of Obstetrics and Gynaecology in its continuous strive to provide excellent health care to the women, put one step forward by arranging CME. The CME included the importance of communication skills and how to improve communication while dealing with patients, colleagues and others.

A plan to add a new dimension to healing practices by introducing “**PRANIC HEALING**” was also the part of CME

The objective of the event was to create awareness on women's health and empowering women.

Dr. S.S. Gulati was the convener and Dr.Ruchi Srivastava coordinated the event

Hon'ble Mrs. Seema Gupta graced the occasion as chief guest.

Dr. Chitra Setya and Group Cpt. S.P. Saxena were the invited speakers for the event.

Menstrual Hygiene Awareness Walk

Menstrual Hygiene Awareness Walk was organized in collaboration with FOGSI RUN for NIINE, an initiative by Akshay Kumar.

Hon'ble Mrs. Seema Gupta hoisted the flag for the walk, and around 100 people participated.

A total of 1000 sanitary pads were distributed to underprivileged girls by Prof Nimmi Chutani, Head of the Department and Dr. Ruchi Srivastava, through an NGO UDAIN, in Greater Noida.

Vitros 5600 Launch – Leveraging Technologies

Department of Biochemistry organized Vitros 5600 Launch – Leveraging Technologies, on 14th February 2019.

The Department of Biochemistry, Central Laboratory, Sharda Hospital has recently been provided a fully automated analyzer – Vitros 5600 on reagent rental basis by Ortho-Clinical Diagnostics. Vitros 5600 is an integrated system that brings together 5 technologies which provide accurate test results and reduces the turn around time. Mr. Harkesh Sharma, Zonal Manager Application – North of Ortho Clinical Diagnostics elaborated on Vitros 5600 & its advantages.

Dr. Gladys Rai was the convener for the event which was held from 2 to 4 pm in the Lecture Hall, 6th Floor, Sharda Hospital, Sharda University

Mr. Harkesh Sharma, Ortho-Clinical Diagnostics spoke about the applications and advantages.

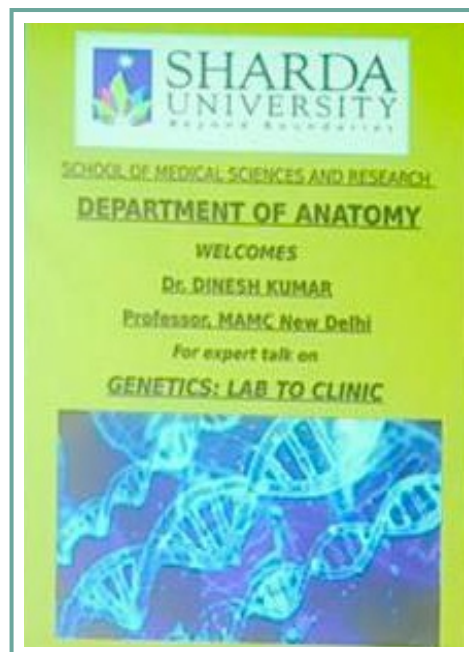

Genetics: From Lab to Clinic

Department of Anatomy, SMS&R organized an **expert talk** on "**Genetics: From Lab to Clinic**" on **6th February 2019**. The objective of the event was to create interest for genetics among MBBS student and to make students understand the scope of genetics

Dr.Nirupma Gupta was the convener for the event. Dr. Dinesh Kumar, Professor,

Department of Anatomy, Maulana Azad Medical College, was the invited speaker for the event which took place in the 5th floor Auditorium, SMS&R. First Year MBBS students (Batch 2018-19) also attended the talk. Dr. Nirupma Gupta was the convener for the event.

Workshop & CME on Urological Histopathology and Cytopathology

Department of Pathology organized a Workshop & CME on 4th February, 2019 on Urological Histopathology and Cytopathology. The workshop was conducted in the seminar room, Department of Pathology, SMS&R. The Faculty and PGs of the Department of Pathology attended the workshop. The CME was held from 2.00 PM to 3.00 PM in Fifth Floor Auditorium, SMS&R Building. It was attended by faculty members from different departments and the students.

The objective of the event was to update the audience on Uro-pathology.

Dr.Monisha Choudhury was the convener for the event and Dr.Prachi Kumar coordinated the same. Dr. Ashish Chandra, Consultant in Cytopathology and Urological Histopathology at St. Thomas Hospital, London was the invited speaker who deliberated on the topic.

Hands-on Workshop on Immunohaematology

Department of Pathology & Transfusion Medicine, School of Medical Sciences & Research and Sharda Hospital organized "Hands on workshop on Immunohaematology Application in Transfusion Medicine" on 17th January 2019. Objective of Event was to sensitize & train faculty & PG Students, technicians and BMLT Students in Immunohaematology Techniques. Dr.Jasbir Singh Dhupia was the convener for the event and Dr.Salony Mittal was the coordinator. The program was held from 17th to 19th January 2019 between 9:00 am to 12:00 pm in the Research Lab in the Department of Pathology, SMS&R, Sharda University.

STUDENT ACHIEVEMENT

Dr. Sanjukta Mukhopadhyay, MBBS student of SMSR, scored excellent in NEET PG examination and joined her subject of interest (MD, Paediatrics) at KGMC, Lucknow. She has sent the following message:

Having a strong desire to serve the Nation as a Doctor, I got admission at “School of Medical Sciences & Research & Sharda Hospital”, at Sharda University, Greater Noida for studying MBBS.

I completed my MBBS degree in February 2017 with First Class and received the Chancellor Gold Medal award for Best Performing Student at Sharda University.

My journey of Four & Half years as a MBBS student at Sharda University was remarkable. The guidance that I received from my Professors & other staff members helped me in depth to understand the intricacy of Medical science.

The motivations that I received from my Senior Professors will always guide me to raise my analytical abilities and prescribe the best remedies in resolving the problems with our Patients.

Having completed my Degree, I have now joined King George Medical University, Lucknow for further studying MD Paediatrics after qualifying NEET PG 2019. After MD, I want to further study DM in Paediatrics and also complete DNB during the next few years.

I shall always remember the contribution of Sharda University in achieving my dreams and I shall ensure to keep the flag of Sharda University floating high above the sky through-out my life.

I wish best of luck to all my fellow & Junior students studying MBBS at Sharda University & colourful success in their future endeavours.

My best regards to all my Professors, Seniors and the staff members at School of Medical Sciences and Research and Sharda Hospital, Greater Noida, UP.

– Dr. Sanjukta Mukhopadhyay
