Dean's Message

The year 2020 had been tough for everyone. The COVID-19 pandemic and its continued presence has devastated many lives, hopes and smiles. But humanity always bounces back. As a vaccine, there always is a beacon of hope infused by all warriors against this unprecedented catastrophe.

SMS&R and Sharda Hospital has evolved as an institute with renewed purpose in the NCR region and stood tall in this turmoil.

This year end issue of the newsletter has the glimpses of those positive achievements...those smiles...that we never let go of during our continuous and prolonged fight towards our final victory. The faculty has been teaching and motivating students positively through online platforms and organizing or participating in various educational activities.

Sharda hospital has been providing the highest level of service for the community in this region during these difficult COVID times. True to its values, the institute has emerged as a respected and trustworthy tertiary care centre during the current pandemic.

This issue highlights numerous achievements, of our institute and faculty members, which are even more praise worthy as they happened to sparkle in the darkness of 2020.

I sincerely salute everyone involved for the selfless services during the crisis and bringing glory to us in such times.

All the best wishes to each one of you in every endeavour and wishing you a very happy and prosperous new year 2021!
