Sir,

In pursuant to the letter dated **13/03/2013**, a personal hearing was granted to the Institute authority to present before the Board of Governors with written submission. The Institute representatives appeared before the Board of Governors on **12/10/2011** and submitted the written submission/compliance and verbal explanation.

The Board of Governors after due consideration and scrutiny of additional documents submitted along with review of assessment report and taking into consideration verbal explanation, decided to reiterate their earlier decision and issue **Conditional Letter of Permission for starting of MS(Anatomy) course with an annual intake of 02(two) student(s) per year. This permission is subject to outcome of show cause notice dated 12/10/2011.**

The Board of Governors want to ensure that the quality of Medical Education is preserved for the permitted Postgraduate courses, thus the Board has permitted reasonable number of seats for the training programme and will consider further increase in future based on the ongoing training programme, available clinical material, faculty and facilities. The Board further wants that the Institute should indulge in academic activities including research and publications with the ongoing PG programme.

This Letter of Permission is subject to fulfillment of the following conditions:-

1. The applicant should provide all infrastructural facilities in terms of teaching and non-teaching staff, buildings, equipment and hospital facilities as per Medical Council of India norms. I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Postgraduate Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors for the starting/increased intake and the said misconduct is brought to notice or comes to the knowledge of Medical Council of India at any stage during the current academic year, your institution is not liable to be considered for increased intake for the next academic year and this letter of permission for the increased intake/starting is also liable to be revoked for current academic year. Besides, Medical Council of India is entitled to take all such measures against you and your college/institution as permissible under the law.
2. Other deficiencies if any pointed out in the inspection report should be rectified. A copy of MCI inspection report is enclosed.
3. No student should be admitted in the above courses till the formal permission of the Board of Governors is granted.
4. The applicant should provide Bank Guarantee of required amount wherever required in favour of Secretary, Medical Council of India, New Delhi valid for three years from a nationalized/scheduled Bank as per MCI's norms against increased intake/starting of above said course. However, Bank guarantee is not applicable for Government institution.

This permission is subject to outcome of show cause notice dated 12/10/2011 and submission of blood component license issued by competent authority.

The Board of Governors want to ensure that the quality of Medical Education is preserved for the permitted Postgraduate courses, thus the Board has permitted reasonable number of seats for the training programme and will consider further increase in future based on the ongoing training programme, available clinical material, faculty and facilities. The Board further wants that the Institute should indulge in academic activities including research and publications with the ongoing PG programme.

This Letter of Permission is subject to fulfillment of the following conditions:-

1. The applicant should provide all infrastructural facilities in terms of teaching and non-teaching staff, buildings, equipment and hospital facilities as per Medical Council of India norms. I am further directed to inform that you and your institution are fully responsible to fulfill and maintain norms including the infrastructure both physical and human resource, teaching faculty and clinical material, etc. throughout the academic year, as stipulated in Postgraduate Regulation of Medical Council of India. In case false/wrong declaration or fabricated documents have been used for procuring permission of the Board of Governors for the starting/increased intake and the said misconduct is brought to notice or comes to the knowledge of Medical Council of India at any stage during the current academic year, your institution is not liable to be considered for increased intake for the next academic year and this letter of permission for the increased intake/starting is also liable to be revoked for current academic year. Besides, Medical Council of India is entitled to take all such measures against you and your college/institution as permissible under the law.
2. Other deficiencies if any pointed out in the inspection report should be rectified. A copy of MCI inspection report is enclosed.
3. No student should be admitted in the above courses till the formal permission of the Board of Governors is granted.
4. The applicant should provide Bank Guarantee of required amount wherever required in favour of Secretary, Medical Council of India, New Delhi valid for three years from a nationalized/scheduled Bank as per MCI's norms against increased intake/starting of above said course. However, Bank guarantee is not applicable for Government institution.
